

**1** Extent of the new entry and driveway for this project. There will be a second phase of the driveway work after the new ED Tower is operational. The goal for this project is to provide a new entry drive without impacting too many parking spaces. Please note that this driveway will not be for hospital deliveries. Only traffic will be ambulances, patients, staff and visitors.

**2** Approximate footprint of the parking structure

**3** Design for this project must maintain at least 50 parking spaces.
