Please see the below answers to the RFI questions:

1. Are irrigation repairs a billable expense? Labor and material?  
**Answer: Yes those would be extra from this contract. Unless repair is needed from the Contractor's wrong doing.**
2. In RFB it is mentioned that the contractor is responsible to replant damaged or thin areas, is that on an approval basis for extra work?  
**Answer: Yes those would be extra from this contract. Unless repair is needed from the Contractor's wrong doing.**
3. Are all 4 sites requiring daily trash and litter pick up?  
**Answer: No. Trash pickup is done by TCMC.**
4. Do you have an approved chemical list or IPM program listing the approved products?  
**Answer: No. Contractor is responsible to ensure compliance with all regulations.**
5. Do you want us to include copies of the C27 & D49 license with our response?  
**Answer: Yes please provide a copy of these licenses with your bid.**
