COVID-19 COMMAND CENTER COMMUNITY UPDATE MAY 18, 2020

Updated communication with our community partners is critical to ensure each of you are kept properly informed. We will send out periodic updates and continue to provide information through the [Tri-City Medical Center COVID-19 webpage](#).

A MESSAGE FROM THE CEO

Tri-City Medical Center has been serving the residents of Carlsbad, Oceanside, Vista and the surrounding communities for nearly 60 years and is focused on providing the highest quality care to our patients and community. While the COVID-19 pandemic has created challenges for everyone, at Tri-City Medical Center we remain committed to our mission "to advance the health and wellness of the community we serve" and are here for you, your family and our entire community in your time of need.

North County is truly special and is capable of rising to any challenge!

We have received countless donations of food, supplies, equipment and more since the beginning of the pandemic. Tri-City is eternally grateful for the generosity of our community during these challenging times. To learn more about the support we've received from our community partners, please visit our [#StrongerTogether](#) page.

Rest assured that we are here 24/7 for our community's healthcare needs and you can be assured that high quality, safe and compassionate care is available close to home.

Steve Dietlin, CEO of TCMC

TRI-CITY MEDICAL CENTER

COVID PREPAREDNESS SUMMARY STATUS

Hospital bed availability remains high. Emergency Department (ED) volumes remain low. Intensive Care Unit (ICU) census currently moderate. Ventilators in use currently low. Based on today's census and resources, we are well positioned to handle a surge at the current time.

Hospital Week 2020

May 10-16, 2020

National Hospital Week highlights every hospital, health system and person involved in keeping our communities healthy. This year's theme was "A Week of Thanks." The Tri-City Family celebrated the week culminating in a salute from the U.S. Airforce Thunderbirds.
